

## **RV and/or Boat Parking Permit 2 Weeks Maximum Use Only**

According to **Article V of the Cross Creek Covenants**, “No trailer, camper or pickup coach, tent, boat or truck (except pickup) shall be parked, placed, erected, maintained or constructed...”

With this in mind, please remember to be considerate of your neighbors while you are cleaning or doing general repairs on your RV or boat. A permit is available for your use, contingent upon approval of your request by the Cross Creek Homeowner Association Board.

If you have company bringing an RV and staying at your home, or if you need to have your RV or boat parked outside your home for more than 48 hours, please place a permit in the front window of the vehicle. Simply complete the form below and drop it in the Cross Creek Recreation Center mailbox — it will be returned to you.

This permit is good for up to **2 weeks only**. Keeping any vehicle beyond the dates agreed to by a permit and/or granted by the Board can and will result in a violation of the Covenants.
