 ★ **ASSOCIATION BOARD NOTES** ★
 ★

The Board met on Thursday, March 9th in the Cross Creek Rec Center.

A topic of discussion was the report by a homeowner concerning the alleged attempted assault upon one of the young people in the neighborhood. This situation brought to the forefront the importance of teaching children the appropriate way to respond to potential threats.

The Washington County Sheriff indicated that there have been reports of transients sleeping in area parks. Although they did not cite any Cross Creek parks as areas of concern, this is certainly a situation to be aware of when allowing children to play in the parks in South Cross Creek and Deline.

The Board discussed having the Sheriff's department come out and address a meeting of the Association. We would hope to obtain in-

formation on making our neighborhood watch program more effective. If such an event is of interest to you, please let Scott MacIntosh know.

There was discussion of the increasing number of speeders on Rosa Road. As the weather turns warm, this becomes a greater problem with the large number of children playing throughout the neighborhood. The Board is looking into alternatives to a prohibitively costly speed bump so, if you have thoughts on this, please contact a Board Member.

The RV Storage Lot has numerous unclaimed and seemingly abandoned canopies taking up valuable space. If you have a canopy stored in the lot which might be construed as abandoned, please call Tom Williams at your earliest convenience and let him know your plans.

Please feel free to attend the
