 ★ **ASSOCIATION BOARD NOTES** ★
 ★

The Board met on Thursday, September 14th in t he Cross Creek Recreation Center for the regular monthly meeting.

On November 1st, unpaid dues for 2000 are considered past due. If your dues are not paid in full by that time, a \$25 late fee will be assessed. If you need to arrange a payment schedule, please contact Susan Soto.

Monthly Homeowners' Association meetings will now begin at 7:00. This change is effective beginning with the October 12th meeting.

The Rec Center is available for rent throughout the winter months for parties, events, and gatherings of any sort. Lila Goodin should be contacted for available dates, fees, and reservations.

The Board is in need of two additional members to serve.

If you are interested, please contact a board or staff member for details and plan on attending the October meeting. Board members should be prepared to make a commitment to attend monthly meeting, participate in Board activities and be available to the community as needed.

The tractor owned by the Association is available for sale. It is currently offered at \$750. Contact Lee or Leo for details.

The Cross Creek Times needs a delivery person to distribute the Times once a month. This is a paid position that requires a responsible person. Please call Michelle at 642-9160.

Please feel free to attend the monthly Board Meetings to share your views and concerns as a Homeowner. We value your input.

Your Service Here

Submit ads via e-mail to jmi-skenn@aol.com or call Michelle Kennedy at 642-9160. Listings MUST be re-submitted every 90 days or risk removal.

The Cross Creek Homeowners' Association does not endorse any service providers.

Halloween Safety

Halloween is an increasingly popular holiday that is enjoyed by children and adults alike. However you plan on celebrating this special day, there are a few safeguards you should keep in mind.

On Halloween night, an adult should accompany children who are trick-or-treating. Both you and the children should carry flashlights in order to be more visible to drivers, and you should:

- ◆ Walk on sidewalks where possible – not the street.
- ◆ Cross streets only at corners and crosswalks.
- ◆ Never cross a street between parked cars.
- ◆ Avoid cutting across yards or driveways.

Trick-or-treaters should approach only those houses that are well lit and appear welcoming to Halloween revelers. Also, pay special attention to the treats that are handed out – make sure that the wrapping is intact and throw out any candy with wrappers that are torn or loose.

Since Halloween will likely bring many ghosts and goblins to your door, as homeowners there are steps to take to ensure that trick-or-treaters have a safe visit:

- ◆ Ensure that outside lights are working properly and are turned on.
- ◆ Keep your porch and walkways safe for trick-or-treaters by removing anything that a child could trip over (e.g. garden hoses, flower pots, toys...)
- ◆ Sweep wet leaves from your front steps and sidewalks to help prevent children from slipping and falling.
- ◆ Keep your pet properly restrained when you open the door for trick-or-treaters – for the safety of both your visitors and your pet.

If you're going to decorate your home with candle-lit jack-o-lanterns, be aware of the fire hazard it presents. Keep jack-o-lanterns away from curtains and other flammable items, and place them out of the path and reach of children. Better yet, consider substituting a battery-powered jack-o-lantern for that traditional candle-lit one.
