The Board met on Thursday, March 9th in the Cross Creek Rec Center.

A topic of discussion was the report by a homeowner concerning the alleged attempted assault upon one of the young people in the neighborhood. This situation brought to the forefront the importance of teaching children the appropriate way to respond to potential threats.

The Washington County Sheriff indicated that there have been reports of transients sleeping in area parks. Although they did not cite any Cross Creek parks as areas of concern, this is certainly a situation to be aware of when allowing children to play in the parks in South Cross Creek and Deline.

The Board discussed having the Sheriff's department come out and address a meeting of the Association. We would hope to obtain in-

formation on making our neighborhood watch program more effective. If such an event is of interest to you, please let Scott MacIntosh know.

There was discussion of the increasing number of speeders on Rosa Road. As the weather turns warm, this becomes a greater problem with the large number of children playing throughout the neighborhood. The Board is looking into alternatives to a prohibitively costly speed bump so, if you have thoughts on this, please contact a Board Member.

The RV Storage Lot has numerous unclaimed and seemingly abandoned canopies taking up valuable space. If you have a canopy stored in the lot which might be construed as abandoned, please call Tom Williams at your earliest convenience and let him know your plans.

Please feel free to attend the

The Board met on Thursday, June 8th in the Cross Creek Rec Center for the regular monthly meeting.

A significant amount of time was spent discussing the Property Standards prohibition on parking vehicles on the side of homes in the neighborhood. This applies only to automobiles as there is a separate regulation regarding boats, trailers, and RVs which clearly requires that they be kept completely out of sight or off-site. The issue being debated is whether the Covenants allow homeowners to park additional vehicles to the side of their homes. The Board took the homeowner comments under consideration and tabled a vote on the matter for the next meeting in July. If you have a desire to be heard on this subject, please attend the next Board Meeting

The pool, while it is now

open for the season, will need a new filtration system in the near future. Anticipated cost for this project is in excess of \$1,000.

There is a possibility that there may be a Swim Instructor available to begin Swim Lessons in July, and we hope to be able to finalize arrangements in the near future.

The Association is also in the process of selling our tractor so, if you know anyone who is looking for a good riding mower, please contact Lee or Leo for full details.

The Rec Center is available for rental on 5 dates still this Summer. Call Lila for dates and details.

Please feel free to attend the monthly Board Meetings to share your views and concerns as a Homeowner. We value your input.

## Halloween Safety

Halloween is an increasingly popular holiday that is enjoyed by children and adults alike. However you plan on celebrating this special day, there are a few safeguards you should keep in mind.

On Halloween night, an adult should accompany children who are trick-or-treating. Both you and the children should carry flashlights in order to be more visible to drivers, and you should:

- ◆ Walk on sidewalks where possible – not the street.
- ◆ Cross streets only at corners and crosswalks.
- ◆ Never cross a street between parked cars.
- ◆ Avoid cutting across yards or driveways.

Trick-or-treaters should approach only those houses that are well lit and appear welcoming to Halloween revelers. Also, pay special attention to the treats that are handed out – make sure that the wrapping is intact and throw out any candy with wrappers that are torn or loose.

Since Halloween will likely bring many ghosts and goblins to your door, as homeowners there are steps to take to ensure that trick-or-treaters have a safe visit:

- ◆ Ensure that outside lights are working properly and are turned on.
- ◆ Keep your porch and walkways safe for trick-or-treaters by removing anything that a child could trip over (e.g. garden hoses, flower pots, toys...)
- ◆ Sweep wet leaves from your front steps and sidewalks to help prevent children from slipping and falling.
- ◆ Keep your pet properly restrained when you open the door for trick-or-treaters – for the safety of both your visitors and your pet.

If you're going to decorate your home with candle-lit jack-o-lanterns, be aware of the fire hazard it presents. Keep jack-o-lanterns away from curtains and other flammable items, and place them out of the path and reach of children. Better yet, consider substituting a battery-powered jack-o-lantern for that traditional candle-lit one.

**NEEDED:  
TWO BOARD MEMBERS**

The Cross Creek Homeowners' Association Board has two posi-  
tions currently open, Insurance/  
Pool Oversight and Alternate.  
This is a terrific opportunity to  
make a difference in your com-  
munity. The Board meets  
monthly to handle community  
business, consider Homeowner  
concerns, and look to future is-  
sues affecting Cross Creek.

If you are interested in being ac-  
tively involved and making a  
significant contribution right  
here at home, please attend the  
Board Meeting on November  
9th. If you have any questions,  
please feel free to contact any of  
the current Board Members for  
additional information.

**Oh No! Not Again!**

Yes, it's that time again –  
Autumn means rain  
storms and falling leaves.  
As homeowners, in-  
creased rain means that  
this is the time to devote  
attention to making sure  
storm drains remain clear  
to ensure proper street  
drainage. It's also time to  
watch for leaf pick-up  
schedules and be sure to  
keep the streets open for  
the trucks.
